ABN 68 169 010 173

07/05/2019

Suspicious use of 'Territory Logistics' trading name;

Territory Logistics was registered on 03/05/2015 as a trading name of our parent company Territory Logistic Solutions Pty Ltd (ABN 68 169 010 172)

It has come to attention of our business that another company in a close proximity to our depot location has been using the same business name.

On the 3/5/2019 another business registered the business name 'Territory Logistics Company' (ABN 26 629 692 762)

Unfortunately ASIC ruled that the names are not similar and whilst we made contact with the 'copycat' as we will now call them, they felt they could use the name freely and intended to take the free ride on the back of our family business.

Nothing will change from our end however we ask customers and supplier to be vigilant & ensure as a supplier you are provided a Purchase Order, and most importantly as a customer please ensure you have engaged the correct company, in particular when communicating online.

Be aware that if searching for our business online that you may be directed to the copycat business. Our website is - **www.territorylogistics.com.au**, all emails will originate from the same address.

If you are approached by the copycat business, or have any other questions regarding this matter please contact Ross or Taryn on 08 8988 6198

Kind Regards

Ross Hughes

Managing Director

Territory Logistics
