Unrelated use of 'Territory Logistics' trading name;

Territory Logistics was registered on 03/05/2015 as a trading name of our parent company Territory Logistic Solutions Pty Ltd (ABN 68 169 010 172)

It has come to attention of our business that another company in the Darwin area has been referring to their business by using the same and or similar trading name.

On the 3/5/2019 another business registered the business name 'Territory Logistics Company' (ABN 26 629 692 762), - NOTE; this company has no connection with us.

Nothing has changed as far as ownership or management of our business however we ask customers and supplier to be vigilant & ensure as a supplier you are provided a Purchase Order, and most importantly as a customer please ensure you have engaged the correct company, in particular when communicating online.

Be aware that if searching for our business online that you may be directed to the other business. Our website is - **www.territorylogistics.com.au**, all emails will originate from the same address.

If you are approached by the another business claiming to be us, or have any other questions regarding this matter please contact Ross or Taryn on 08 8988 6198

Kind Regards

Ross Hughes
